FOREWORD

As the years pass and high school memories fade into the past with the many other experiences of your life, you can recall the moments, both happy and sad, of this 1954-'55 school year by turning through the pages of this annual, THE TUMBLE-WEED. We hope we have captured a true glimpse of this school year and that this book will be one of your most prized possessions.

THE STAFF

To a group of boys who had a constant d e s i r e to win, who never quit trying until the final w h i s t l e had blown, and who were admirable in victory and in defeat--the McLEAN TIGERS, Bi-District Champions--we dedicate this 1954-1955 TUMBLEWEED.

Year of 1954-'55

Dear Students,

Looking back over the school year of 1954-'55, we have witnessed many joyous and happy occasions. We have made friends and companions that we will remember for a life time. Our school year has been a very pleasant and successful year. Many honors have come to McLean High School because of the fine work of her students who represented her on numerous occasions. This year's TUMBLEWEED should be a storeroom of memories, some good, some bad, some humorous, some sad.

To you, the graduating Seniors of 1955, we want you to be assured that your Alma Mater will always wish you well and be interested in you and your achievements. As you go from this school, you go with the best wishes of your faculty, and with the assurance of confidence in your capacity to function efficiently in the days to come.

To the members of the Annual staff, I offer my congratulations for a job well done, and to the student body of the McLean High School, I extend my best wishes and sincere appreciation for your cooperation in making this annual possible.

Sincerely yours,

Freeman Melton, Jr.
